I would like to thank all those newly elected and appointed officers, State, County Council, District, and Post, for taking on the responsibility of leadership in our great organization. Without “YOU” dedicated individuals, our organization could not be as great as we truly are. A large “Thank You” goes out to the members of our State for allowing me to serve as your State Senior Vice Commander during Commander Bill Phillips “WE CONTINUE TO SERVE” year.

I am proud and excited to be able to serve during the 2011-2012 term and I see great things happening within the coming year for both our State and for our membership as a whole. Teamwork is the hallmark of any great organization and we all know that is what it is going to take to have a successful year.

Keep in mind that if there are any problems or questions that you may have, feel free to call on me at any time. If I can’t answer your question, I’ll find someone who can.

In closing, I wish to thank my family for allowing me to continue my journey with the Veterans of Foreign Wars for without our families behind us, we could not do what we do.

May God bless AMERICA and the VFW.
