A wise man once told me that the backbone of the Veterans of Foreign Wars rested with the local VFW Posts and it has long been my belief that if we have dedicated and knowledgeable leaders on the Post Level, the entire Organization will be successful.

Too often, we forget what the VFW is really all about and that is first... to care for our fellow veterans through our Veterans Service Programs and secondly,...to take an active interest in Legislative issues that impact veterans and their families.

The primary duty of the State Adjutant is to assist our VFW Post and District Leaders as they perform their duties on a day to day basis whether it is to answer questions, provide necessary forms or just help them to understand what their duties are. Our job is to “keep the train on the track” so that everyone is working toward the same goals.

My Headquarters Staff is comprised of a dedicated group of individuals who are always ready, willing, and able to “go that extra mile” for each and every one of our VFW Leaders and members. I am always available should you need my assistance, you can email, call, or drop me a line. Remember....communication is the key to success!

I would remind you of something our President John F. Kennedy once said.....”Once you say you’re going to settle for second, that’s what happens to you in life”...so we, as members of the greatest Veterans Organization in the world cannot and will not “settle for second”!

Please join State Commander Bill Phillips and his Team of Officers as they endeavor to show with their continued dedication and service that

“WE CONTINUE TO SERVE”
